Dyspepsia Cure

Digests what you

A healthy stomach, capable of digesting a good, square meal, is a great blessing. It keeps the body strong by insuring plenty of nourishment. In fact, it means perfect health. But something must be done when the stomach is so tired that it can't digest what you eat, for undigested food poisons the blood.

We can recommend a preparation that completely digests all classes of foods—that is Konor Dyspersia Cure. It gives the stomach perfect rest and allows you to eat and enjoy the variety of food that is necessary for maintaining health. It never falls to cure indigestion, after everything else has falled. It is pleasant to take and can be used in all conditions.

"For many years I suffered from chronic indigestion, and it seemed as though nothing was going to do me any good. On the advice of a friend I commenced using Kodol Dyspepsia Core. It gave me immediate relief and I continued its use, until now I feel that I am cured."—Henry F. Cramer, Wendelville, N. Y.
